### Transcript for Veterans Health Administration's Mental Health PSA (Public Service Announcement) - featuring Natalie Dell

Did you know that Department of Veterans Affairs provides physical and mental health care for over 8 million Veterans?

Hi, I'm Natalie Dell.

I may be an Olympic Medal winner, but I know that real champions are those who have served this country.

And VA knows that too.

As a VA employee, I've seen the challenges our Veterans face.

I'm honored to be part of a team that supports Veterans in achieving fuller, richer lives, and I invite you to join us in this rewarding experience.

If you're a Mental Health Provider, I urge to you visit [VAcareers.va.gov](https://vacareers.va.gov).
